

# JAN LEHMAN

*Want to increase productivity and create a winning culture? Then hire Jan Lehman to speak at your next event!*

Jan Lehman is a globally recognized productivity expert, international speaker, and best-selling author that has been featured in *Forbes*, *Business Journal*, and *Entrepreneur*. She is dedicated to creating real relationships and curating a meaningful and relevant presentation for each of her clients. Combining a thoughtful blend of proven productivity practices and real-life examples, Jan offers a welcoming, engaging, inspirational, and high-energy space for personal growth.

*"Jan leveraged real-life examples to drive the concepts home while keeping the energy in the room high. Each person came away with committed actions to make their work life better."*

— Matt Steele, Vice President,  
Fortune 50 Company

Audience members will leave with actionable steps they can immediately incorporate into their work and personal lives. The examples Jan provides will allow individuals to imagine the best way to apply the productivity practices and tools to their own routines. Jan is passionate about creating a place of empathy and empowerment for her audience members, so they leave feeling energized and ready to make the most of their time.

## **MOST REQUESTED PRESENTATIONS AND WORKSHOPS**

*In-person, virtual, and hybrid programs available*

### ***Create a Culture Where Productivity Fuels Happiness***

As a leader, time is your ultimate resource. Unfortunately, many leaders get stuck in a cycle of busy work and interruptions. They lack the capacity and strategies to finish their most important work each day but find all of their time going to non-essential tasks. Sound familiar? In this session, you'll learn how to create a culture that eliminates unnecessary interruptions, emails, and non-essential work. You'll discover how to get your team focused on their most important priorities and stop the highly reactionary behavior that has become the norm in business today.

### ***Solve Your Communication & Collaboration Issues:***

### ***Leverage the Power of Microsoft 365***

Are capacity challenges, communication breakdowns, and overflowing inboxes holding you back? What if you already have the tools to solve these issues? Most companies use Microsoft 365 but only scratch the surface of its potential. In this session, learn how to increase individual and team capacity, while reducing workplace stress with smart systems that support employee well-being. Discover how you can leverage the power of Microsoft 365 to boost productivity in your organization.
